Alzheimer's Association Delaware Valley Chapter

Begley & Bookbinder, P.C. is proud to work with and support the Alzheimer's Association. This organization, which was founded over 25 years ago, is dedicated to finding prevention methods, treatment and an eventual care for Alzheimer's disease.

Many people are unaware of the staggering statistics surrounding Alzheimer's disease in the United States.

- An estimated 4.5 million Americans have Alzheimer's disease.
- The number of Americans with Alzheimer's disease has doubled since 1980.
- It is estimated that by the year 2050, the number of individuals with Alzheimer's could range from 11.3 million to 16 million.

The Alzheimer's Association provides support for individuals affected by this disease on both a national and local level.

Nationally, the Alzheimer's Association provides a toll free, 24/7 Nationwide Contact Center which can be reached at 1-800-272-3900. In addition, there are local chapters which provide services to families and professionals including information and referrals, support groups, care consultation, education and safety services.

Both locally and nationally, the Alzheimer's Association is a donor-supported, not-for-profit organization. Support for the Alzheimer's Association is raised through various fund raising events. One such fund raising event is approaching.

On May 15, 2006 the Delaware Valley Chapter of the Alzheimer's Association will present the 6th Annual South Jersey Spring Golf Classic. This annual event which will be held at Woodcrest Country Club is a fun way for individuals and businesses to help provide support for this worthy organization. There are many corporate sponsorship opportunities still available.
