Are you Prepared for Volatility? Investment Strategies to Cope with Turbulent Markets Seminar

Begley & Bookbinder, P.C., has invited Michael J. Beckett of The Beckett Group of Merrill Lynch to present to our valued clients a seminar titled "Are you Prepared for Volatility? Investment Strategies to Cope with Turbulent Markets" on Wednesday, June 11, 2008 from 7:00 p.m. to 8:30 p.m. at our Moorestown office.

Now that the past 9 months have seen a resurgence of stocks, bond and commodity market volatility, what should investors do to benefit? If you have too much risk for this environment, what should you be doing to protect your portfolio and keep your financial goals on course.

Michael J. Beckett is First Vice President-Investments and Wealth Management Advisor with The Beckett Group of Merrill Lynch. He joined the firm in January 1986 and currently serves as the practice's managing general partner. Previously, Michael was a Certified Public Accountant and received a degree in Accounting and Finance Magna Cum Laude from the University of Delaware. Michael focuses on the comprehensive financial needs of the group's high net worth clientele with an emphasis on retirement, investment and estate and planning.

Please join us at this special event on the date listed above. Space is limited so we must ask that you R.S.V.P. to us at 877-234-5393 and advise us how many will attend.

Very truly yours,

Thomas D. Begley, Jr.
